

KalmanFilterScale.h

```
graph TD; A[KalmanFilterScale.h] --> B[Eigen/Dense]; A --> C[kalman/ekfilter.hpp];
```

The diagram illustrates the dependencies of the file KalmanFilterScale.h. It is represented as a central box at the top with two arrows pointing downwards to two other boxes. The left box is labeled 'Eigen/Dense' and the right box is labeled 'kalman/ekfilter.hpp'. The top box has a gray background, while the bottom boxes have white backgrounds.

Eigen/Dense

kalman/ekfilter.hpp
